In case of failure of a bull to be a breeder, notice shall be given to seller within six months of purchase, or by the time the bull is 20 months of age, if purchased under 20 months of age.
3. With the exception of heifers sold under 14 months or age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months or age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. A cow, safe in calf or carrying a calf at foot, is considered a breeder.

When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial period not to exceed six months. The expense of freight in such case is to be paid by seller. If the animal is then proved to be a breeder beyond a reasonable doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to seller.
5. Certificate of registry and transfers will be furnished with each animal sold. A signed pedigree application will be furnished with bred females.

10TH ANNUAL SALE
of
The Bosque County Shorthorn Breeders' Association
Saturday, November 22, 1969

Clifton Livestock Commission Company
Central Texas Fairgrounds, Clifton, Texas

Show 9:00 A.M.

Sale 12:30 P.M.

SELLING: 18 Bulls, 31 Female Lots, 15 Club Calves

This is the sale with the Supermarket approach — something for everyone in the Shorthorn business, or wanting to get a start with Shorthorns. You will find some of the best Shorthorns in Texas in this sale. Most of them will be in ideal condition for you to use in your herd. If you wish to bid by mail or through a representative the following men will assist you: Ken Holloway, Representative or ASA; Ted Gouldy, Weekly Livestock Reporter; Larry North, Shorthorn World; Bill Millsaps, Sale Manager; Larry Conner, Secretary Bosque Co. Ass'n.; R. J. Smith, Auctioneer.

WELCOME TO THE TEXAS SUPER SHORTHORN SALE —

This sale has something for everyone, club calves, bred heifers, open heifers, cows, cows with calves, and bulls. I have seen most of the cattle that are selling and feel that this may well be the best group of cattle to sell in a Bosque County Sale. Some of the consignors are selling cattle that they should keep but here they are in the sale for your bidding appraisal. This sale is a consignment sale from Member Breeders of the Bosque County Shorthorn Breeders' Association. The members have voted to reserve the right to P. O. any animal that does not bring what they feel is a fair market value. This is done to keep the sale honest and all in the open. This stops people from having others bid on their cattle for them. We hope you agree with this straight honest approach to our sale. We intend to make this the best Shorthorn Sale in Texas. Your presence will help more than you think.

Bill Millsaps, Sale Manager.

CLUB CALF SALE — We will take the top 15 calves consigned to the sale and sell them at auction at the start of the sale. A committee headed by Ken Holloway, ASA representative, will select the calves to be sold. Only the tops will be offered at auction. The consignors plan to bring only the very top calves and have voted to set a floor price of \$150.00 on the top 15 calves. Consignors have right to P. O. any calf selling for less. The breeders that will have calves include Conner Shorthorn Ranch, G. E. Steen, Bruce Lane, Jim Cato, Ronnie Smith, Bill Ford, and other well known Shorthorn breeders. You will be able to fill your needs here. Additional calves will be available at private treaty.

Bill Millsaps, Sale Manager.
